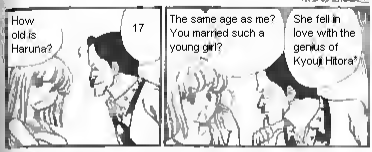
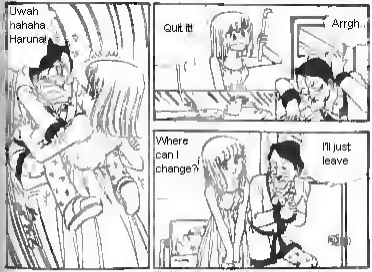
When you combine a male and a female mouse, it's common knowledge in today's medicene that the male becomes feminine





* Hitora is a Japanified pronunciation of "Hitler". Yuzuki has nothing about Hitleresque mad sc ent sts

Say, isn't this the condolence book?
Aha. If I read this, I'll know how everybody really feels
My home room teacher Mr Morizak 20 000 yen
Forgive me, I'm sorry
He really laughed at me that day, but he had his good points too
That's how it is...I guess. After a person dies the arguments are forgotten. Only the good memories remain
The music teacher, Miss Harada also 20 000 yen
Mr Miyada
Woohoo, that teacher, she liked me huh? It's almost embarassing

Next's
The beautiful girls club

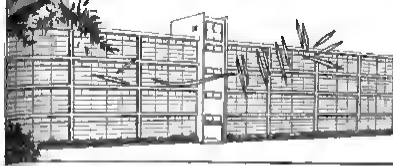
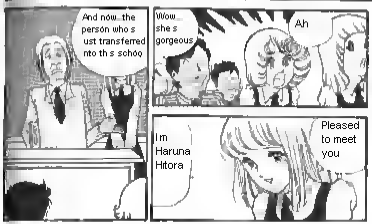
Be beautiful girls club 200 yen?
Ten yen each? That's not funny!
Th-th-those girls. Even after I died they have to make a fool of me!

I'm really sorry
I really thank you for coming
For him to commit suicide like that
Even though we searched for a month we couldn't find the body
On that day he headed off to school..smiling just like usual Why would he have done it?
I..I dunno
We also can't believe that such a good guy would kill himself
Enough already
Michiru you're the reason why
They're saying some really nice things about me..eh?
Michiru..
Who're you?
Etaro's childhood friend
Since that time, he and I wrote a lot but I haven't seen him since he grew up
What sort of person was he?
Well..to be honest he was really handsome
Hoohoo
Maybe I need to rethink things

Here, have a chocolate
Oh, are you sure?
Sure, eat as many as you like
He was a lech, but his eye for women was perfect
So?
He was also good at school
How about some candy? I've also got gum
He was so pure he would have made an ideal boyfriend
Ehehe you stole my words
Well, in a word
Yes?
He was an idiot after all
So that's how she feels?
I, I look, I'm going to have my revenge, I'll destroy you
Then you'll really cry





And now... the person who's just transferred into this school
Wow... she's gorgeous
Ah
I'm Haruna Hitora
Pleased to meet you
